1st April 2020

Dear Parents & Carers,

We hope families are well and keeping safe, and thank you all for your support throughout these times.

Thank you also for letting school know how much your children are enjoying their home learning. Teachers are preparing home learning for their respective classes, ready for the start of the summer term on 20th April 2020, more about which, nearer the time.

We are pleased to inform families that the school will continue to remain open during the Easter holidays for vulnerable children and those of key workers.

We look forward to staying in touch with you all and to hearing from you should your family circumstances and needs change.

Meanwhile we wish all families continued good health and a happy Easter.

Kindest regards,

Mrs J Williams and all at Ashurst CE Aided Primary School
