Dear Parents and Carers,

Well what a busy half term this has been! We thank you for all your support during the SATs tests and look forward to sharing the results with parents and carers of YR, Y1, Y2, Y4 and Y6 children when these become available.

As I write, Mrs Hedley and I have just returned from a wonderful four days away with our Y6 children. We were very well looked after by the staff at Goodwood, we ate lots, walked lots and were fortunate with the weather. Everywhere we went, adults complimented us on the politeness, high level of engagement and excellent behaviour of the children. We are very proud of them.

Covid Update

Just to remind you the measures for managing COVID-19 in schools has been updated and the guidance is now as follows:

- adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, **the advice is 3 days.**

Kindest regards,

Mrs S Smith
