## HEALTH AND SAFETY POLICY

**Effective from: September 2022**

---

### **Statement of Intent**

The governing body acknowledges West Sussex County Council's (WSCC) Corporate Health and Safety Policy, acting as Local Education Authority and employer, and provides the following additional statement of intent to cover all school buildings, activities and undertakings for which it is responsible.

Under the Health and Safety at Work Act 1974, the governing body accepts that it has the responsibility to take all reasonably practicable steps to secure the health and safety of staff, pupils and others visiting and using the school premises.

The governing body believes that the prevention of accidents, injury or loss is essential to the efficient operation of the school and is part of the good education of its pupils. It will be the governors' policy to encourage, where practicable, the co-operation of all users of the establishment by monitoring, review, discussion and consultation to promote and develop measures which ensure health and safety at work.

Signed by Chair of Governors: Mrs A Kilham

Date: September 2022

## THE ORGANISATION FOR HEALTH AND SAFETY

### Health and safety responsibilities

The Governing Body has strategic responsibility for health and safety within all areas of the schools undertakings and is answerable to the LA for its actions, on behalf of whom it makes decisions. The governing body is responsible for ensuring that advice from competent health and safety advisers is available on health and safety matters in order to comply with regulatory controls.

The \*Headteacher has responsibility for the day-to-day operation of health and safety and welfare policies and practices, as delegated by the governing body, within all areas of the school's undertakings. The \*Head Teacher is responsible for ensuring that advice from competent health and safety advisers is sought on health and safety matters in order to comply with regulatory controls.

*\*The named headteacher responsible for this is Mrs S Smith.*

The \*Headteacher is responsible for ensuring that safe working conditions are maintained for all pupils, employees, visitors, members of the public and, where applicable, contractors throughout their individual work areas.

Employees are responsible for their own health and safety, that of their colleagues and members of the public who may be affected by their work activities.

## ARRANGEMENTS FOR HEALTH AND SAFETY

### Accident and Incident Reporting

All accidents and incidents, to staff, visitors and contractors are reported to WSCC using the online accident reporting system. Minor incidents to pupils are recorded locally, major injuries and direct visits to hospital are also reported to WSCC using the online system. The \*Headteacher is responsible for reporting accidents and will monitor accidents and incidents in order to identify trends and report to the governing body.

### Administering medicines

The school's Medicines in School Policy details the procedures followed by the school and is based on WSCC policy and procedures. The lead for the administration of medicines is Mrs S Smith. A copy of the policy is available from the school office.

## **Asbestos**

The school holds an asbestos register and follows the WSCC Code of Practice regarding monitoring and record keeping. All contractors working on the building are made aware of the location of asbestos and sign the register. Staff are made aware of the location of asbestos and the procedures to follow if discovering disturbed asbestos. Mrs A Hedley is responsible for asbestos management.

## **Control of Substances Hazardous to Health (COSHH)**

All hazardous substances stored and used within the school are to be risk assessed and the precautions identified by the risk assessment shall be communicated to staff and implemented. These assessments will be held in the school's COSHH risk assessment file where appropriate, along with the relevant data sheets and made available to all employees who are required to use these substances in their work.

Mrs S Smith is the designated person for ensuring that the COSHH risk assessment file is kept up to date and communicated to relevant staff.

## **Contractors**

Maintenance and servicing contractors receive an induction to the school site (including asbestos), its facilities and emergency arrangements. Contractors undertaking large scale building work receive all of above and an induction pack which includes relevant school policies, procedures and risk assessments. The school adheres to WSCC self-managed process and uses only WSCC approved contractors. Contractors are continuously monitored whilst on site.

\*The Headteacher is responsible for the management of contractors.

## **Curriculum Safety**

The governors recognise that some curriculum areas represent an increase in risk; these areas hold department specific health and safety policies and arrangements, which are regularly reviewed and communicated to the relevant staff.

\*The Headteacher is responsible for Physical Education, Science, Design and Technology, Drama and Theatre Arts.

Mrs A Hedley - responsible for Computing Technology

## **Display Screen Equipment (DSE)**

DSE users will have a risk assessment completed to make sure they know how to adjust and set up the workstation correctly. It is the responsibility of Mrs S Smith with the assistance of Mrs A Hedley to ensure assessments are completed by relevant staff. The risk assessment can be carried out by the workstation user through the e-Learning programme and assessment checklist. This is available on Health and Safety A-Z pages of the WSSfS.

DSE user risk assessments will be reviewed periodically by Mrs S Smith & Mrs A Hedley, or if there have been any significant changes to the workstation. A review of the original assessment must be undertaken as soon as practicable by the line manager when an employee complains of musculoskeletal or other health issues that could be attributed to, or aggravated by, working with DSE.

## **Electricity**

All portable electrical equipment within the school is to be tested annually and records of these tests will be held at the school.

Private portable electrical equipment must not be brought into the establishment and used without the appropriate checks.

A 5 yearly check of the fixed electrical installation is completed and records kept. Electrical safety is managed by the Headteacher.

## **Emergency Provision/Business Continuity**

The Emergency Plan details procedures and arrangements to be used in the event of an emergency. This includes liaison with WSCC and the emergency services, provision for the continuation of school business and arrangements to contact interested parties i.e. parents and the press. All staff are trained in the procedures contained within the emergency plan and are able to take the appropriate action if required. The emergency plan is regularly monitored and reviewed by the \*Headteacher.
