INTRODUCTION

Ashurst CE Aided Primary School (APS) believes that online safety is an essential element of safeguarding children and adults in the digital world when using technology such as computers, tablets, mobile phones or games consoles.

Internet and information communication technologies (ICT) are an important part of everyday life, therefore children must be supported to be able to learn how to develop strategies to manage and respond to risk, and be empowered to build resilience online. Ashurst Primary School has a duty to provide the school community with quality internet access in order to raise education standards, promote achievement, support professional work of staff and enhance management functions, and identifies that there is a clear duty to ensure that all pupils and staff are protected from potential harm online where possible.

The purpose of Ashurst Primary School's E-Safety Policy is to:

- Clearly identify the key principles expected of all members of the community with regards to the safe and responsible use of technology, thus ensuring that Ashurst Primary School is a safe and secure environment
- Safeguard and protect all members of Ashurst Primary School community online
- Raise awareness with all members of the Ashurst Primary School community, regarding the potential risks as well as benefits of technology
- Enable staff to work safely and responsibly, to role model positive behaviour online and be aware of the need to manage their own standards and practice when using technology
- Identify clear procedures to use when responding to online safety concerns that are known by all members of the community.

This policy applies to all staff including the governing body, teachers, support staff, external contractors, visitors, volunteers and other individuals who work for or provide services on behalf of the school (collectively referred to as 'staff' in this policy), as well as pupils and parents/carers.

This policy applies to all access to the internet and use of information communication devices, including personal devices, or where pupils, staff or other individuals have been provided with school issued devices for use off-site, such as a work laptops, tablets or mobile phones.

This policy must be read in conjunction with other relevant school policies including (but not limited to) Safeguarding and Child Protection, Anti-bullying, Behaviour, Data Security (GDPR), Use of Images, Acceptable Use Policies (AUPs), Social Media, Confidentiality, as well as relevant curriculum policies including Computing, Personal Social and Health Education (PSHE), Relationships and Sex Education (RSE).

1. Key Responsibilities

1.1 Key responsibilities of the school management and leadership team are:

- To develop, own and promote the online safety vision and culture to all stakeholders, in line with national and local recommendations with appropriate support and consultation throughout the school community
- To ensure that online safety is viewed by the whole community as a safeguarding issue and proactively developing a robust online safety culture
- To support the Designated Safeguarding Leads (DSL) by ensuring they have sufficient time and resources to fulfil their online safety role and responsibilities.
- To ensure there are appropriate and up-to-date policies and procedures regarding online safety, including an Acceptable Use Policy (AUP) which cover appropriate professional conduct and use of technology
- To ensure that suitable and appropriate filtering and monitoring systems are in place to protect children from inappropriate content which meet the needs of the school community whilst ensuring children have access to required educational material
- To work with and support technical staff in monitoring the safety and security of school systems and networks, and to ensure that the school network system is actively monitored
- To ensure all members of staff receive regular, up-to-date and appropriate training regarding online safety roles and responsibilities, and provide guidance regarding safe appropriate communications
- To ensure that online safety is embedded within a progressive whole school curriculum which enables all pupils to develop an age-appropriate understanding of online safety and the associated risks and safe behaviours
- To be aware of any online safety incidents and ensure that external agencies and support are liaised with, as appropriate
- To receive and regularly review online safeguarding records and use them to inform and shape future practice
- To ensure there are robust reporting channels for the school community to access regarding online safety concerns, including internal, local and national support
- To ensure that appropriate risk assessments are undertaken regarding the safe use of technology, including ensuring the safe and responsible use of devices
- To ensure a member/members of the Governing Body are identified with a lead responsibility for supporting online safety
- To audit and evaluate current online safety practice to identify strengths and areas for improvement

- To ensure that the Designated Safeguarding Leads (DSLs) are aware of current policies and procedures and are kept up to date with current practise.

1.2 Key responsibilities of the Designated Safeguarding Lead is:

- To act as a named point of contact on all online safeguarding issues and liaise with other members of staff and other agencies, as appropriate
- To keep up-to-date with current research, legislation and trends regarding online safety
- To coordinate participation in local and national events to promote positive online behaviour where appropriate
- To ensure that online safety is promoted to parents and carers and the wider community through a variety of channels and approaches
- To work with the school lead for data protection and data security to ensure that practice is in line with current legislation
- To maintain a record of online safety concerns/incidents and actions taken as part of the schools safeguarding recording structures and mechanisms
- To monitor the school's online safety incidents to identify gaps/trends and use this data to update the school education response to reflect need
- To report to the school management team, Governing Body and other agencies, as appropriate, on online safety concerns and local data/figures
- To liaise with the local authority and other local and national bodies, as appropriate
- To work with the school leadership and management to review and update the online safety policies, Acceptable Use Policies (AUPs) and other related policies on a regular basis (at least annually) with stakeholder input
- To ensure that online safety is integrated with other appropriate school policies and procedures.

1.3 Key responsibilities for staff members are:

- To contribute to the development of online safety policies
- To read the school Acceptable Use Policies (AUPs) and adhere to them
- To take responsibility for maintaining the security of school systems and data
- To have an awareness of a range of different online safety issues and how they may relate to the pupils in their care
- To model good practice when using new and emerging technologies
- To embed online safety education in curriculum delivery wherever possible
- To identify individuals of concern and take appropriate action by following school safeguarding policies and procedures
- To know when and how to escalate online safety issues, internally and externally
- To be able to signpost to appropriate support available for online safety issues, internally and externally
- To maintain a professional level of conduct in their personal use of technology, both on and off site.

1.4 Key responsibilities for staff managing the technical environment are:

- To provide a safe and secure technical infrastructure which supports safe online practices, whilst ensuring that learning opportunities are still maximised
- To take responsibility for the implementation of safe security of systems and data in partnership with the leadership and management team
- To ensure that suitable access controls and encryption is implemented to protect personal and sensitive information held on school-owned devices
- To ensure that the school's filtering policy is applied and updated on a regular basis, and that responsibility for its implementation is shared with the DSL
- To ensure that the use of the school's network is regularly monitored and report any deliberate or accidental misuse to the DSL
- To report any breaches or concerns to the DSL and Leadership Team, and together ensure that they are recorded and appropriate action is taken, as advised
- To develop an understanding of the relevant legislation, as it relates to the security and safety of the technical infrastructure
- To report any breaches and liaise with the local authority (or other local or national bodies), as appropriate, on technical infrastructure issues
- To provide technical support and perspective to the DSL and Leadership Team, especially in the development and implementation of appropriate online safety policies and procedures
- To ensure that the school's ICT infrastructure/system is secure and not open to misuse or malicious attack
- To ensure that appropriate anti-virus software and system updates are installed and maintained on all setting machines and portable devices.

1.5 Key responsibilities of pupils are:

- To contribute to the development of online safety policies
- To read and sign the pupil Acceptable Use Policy (AUP) and adhere to them
- To respect the feelings and rights of others, both on and offline
- To seek help from a trusted adult if anything causes concern, and support others that may be experiencing online safety issues.

At a level that is appropriate to their individual age, ability and vulnerabilities:

- To take responsibility for keeping themselves and others safe online
- To take responsibility for their own awareness and learning in relation to the opportunities and risks posed by new and emerging technologies
- To assess the personal risks of using any particular technology, and behave safely and responsibly to limit those risks.

1.6 Key responsibilities of parents and carers are:

- To read the school Acceptable Use Policies, encouraging their children to adhere to them, and adhering to the policies themselves, where appropriate
- To discuss online safety issues with their children, supporting the school in their online safety approaches, and reinforcing appropriate safe online behaviours at home
- To be a role model for the safe and appropriate uses of technology and social media
- To identify changes in behaviour that could indicate that their child is at risk of harm online
- To seek help and support from the school, or other appropriate agencies, if they or their child encounter online problems or concerns
- To contribute to the development of the school online safety policies
- To use school systems, such as learning platforms and other network resources, safely and appropriately
- To take responsibility for their own awareness and learning in relation to the opportunities and risks posed by new and emerging technologies.

2. Online Communication and Safer Use of Technology

2.1 Managing the school website:

- Ashurst CE Primary School seeks to ensure that information posted on the school website meets the requirements as identified by the Department for Education (DfE).
- The contact details on the website will be the school address, email and telephone number. Staff and/or pupils' personal information will not be published.
- The Headteacher and E-Learning Manager will ensure that information uploaded to the school website is both accurate and appropriate.
- The website will comply with the school's guidelines for publications, including accessibility and respect for intellectual property rights, privacy policies and copyright.
- Pupils work will be published with their permission or that of their parents/carers.
- Security procedures will ensure that the administration of the school website is only undertaken by designated staff as appropriate, and access secured with an appropriately strong password.
- Ashurst Primary School will seek to post appropriate information about safeguarding, including online safety, on the school website for members of the community.

2.2 Publishing images and videos online:

- Ashurst CE Primary School will ensure that all images and videos shared online are used in accordance with the school's Use of Images Policy.
- Ashurst CE Primary School will ensure that all use of images and videos take place in accordance with other policies and procedures, including Data Security, Acceptable Use Policies, Codes of Conduct, social media, use of personal devices and mobile phones etc.
- In line with the Use of Images Policy, written permission from parents or carers will always be obtained before images/videos of pupils are electronically published.

2.3 Managing email:

- All members of staff are provided with a specific school email address to use for any official communication.
- The use of personal email addresses by staff for any official school business is not permitted unless exceptional circumstances are identified and approved e.g. loss of school communication systems.
- The forwarding of any chain messages/emails etc. is not permitted. Spam or junk mail will be blocked and reported to the email provider.
- Any electronic communication which contains any content which could be subject to data protection legislation (e.g. sensitive or personal information) will only be sent using secure and encrypted email.
- Access to school email systems will always take place in accordance to data protection legislation and in line with other appropriate school policies e.g. Confidentiality.
- Members of the community must immediately tell a designated member of staff if they receive offensive communication and this will be recorded in the school safeguarding files/records.
- Staff will be encouraged to develop an appropriate work life balance when responding to work related email. School Policy at present is that all electronic communication from parents for staff comes via School Office in the first instance.
- Excessive social email use can interfere with teaching and learning and will be restricted.
- Emails sent to external organisations should be written carefully and authorised before sending, in the same way as a letter written on school headed paper would be.
- School email addresses and other official contact details must not be used for setting up personal social media accounts.

2.4 Videoconferencing and webcam use for educational purposes:

- The school acknowledges that videoconferencing is a challenging activity with a wide range of learning benefits. Preparation and evaluation are essential to the whole activity.
- All videoconferencing equipment will be switched off when not in use and where appropriate, not set to auto answer.
- Staff will ensure that external videoconference opportunities and/or tools are suitably risk assessed and will ensure that accounts and systems used to access events are appropriately safe and secure.

Users:

- Pupils will ask permission from a teacher before making or answering a videoconference call or message.
- Videoconferencing will be supervised at all times by a teacher.
- Parents/carers consent will be obtained prior to children taking part in videoconferencing activities.
- Video conferencing will take place via official and approved communication channels following a robust risk assessment.

Content:

- When recording a videoconference lesson, written permission will be given by all sites and participants. The reason for the recording must be given and the recording of videoconference should be clear to all parties at the start of the conference. Recorded material will be stored securely.
- If third party materials are to be included, APS will check that recording is acceptable to avoid infringing the third-party intellectual property rights.
- APS will establish dialogue with other conference participants before taking part in a videoconference. If it is a non-school site, Ashurst Primary School will check that they are delivering material that is appropriate for the pupils.

2.5 Classroom use of the internet and any associated devices:

- Internet use is a key feature of educational access and all children will receive age and ability appropriate education to support and enable them to develop strategies to respond to concerns, as part of an embedded whole school curriculum. Please access specific curriculum policies for further information.
- The school's internet access will be designed to enhance and extend education.
- Access levels to the internet will be reviewed to reflect the curriculum requirements and the age and ability of pupils.
- All members of staff are aware that they cannot rely on filtering alone to safeguard children and supervision, classroom management and education about safe and responsible use is essential.
- ✓ Supervision of pupils will be appropriate to their age and ability:

- At Early Years Foundation Stage and Key Stage 1, pupils' access to the internet will be by adult demonstration with occasional directly supervised access to specific and approved online materials which support the learning outcomes planned for the pupils' age and ability.
 - At Key Stage 2, pupils will be supervised. Pupils will use age-appropriate search engines and online tools, and online activities will be teacher-directed where necessary. Children will be directed to online material and resources which support the learning outcomes planned for the pupils' age and ability.
 - Where appropriate in residential provisions, Ashurst Primary School will balance pupils' ability to take part in age appropriate peer activities online with the need for the school to detect abuse, bullying or unsafe practice by children in accordance with the National Minimum Standards (NMS).
- All school owned devices will be used in accordance with the school Acceptable Use Policy and with appropriate safety and security measures in place.
 - Members of staff will always evaluate websites, tools and apps fully before use in the classroom or recommending for use at home.
 - Pupils will be educated in the effective use of the internet in research, including the skills of knowledge location, retrieval and evaluation.
 - The school will use age appropriate search tools where possible, e.g. Google Safe Search, CBBC safe search, Dorling Kindersley Find Out, Kiddle etc., as decided by the school following an informed risk assessment to identify which tool best suits the needs of our community.
 - The school will ensure that the use of internet-derived materials by staff and pupils complies with copyright law and acknowledge the source of information.
 - Pupils will be taught to be critically aware of the materials they read and shown how to validate information before accepting its accuracy.
 - The evaluation of online materials is a part of teaching and learning in every subject, and will be viewed as a whole-school requirement across the curriculum.
 - Ashurst CE Primary School will use the internet in order to enable pupils and staff to communicate and collaborate in a safe and secure environment.

2.6 Management of school learning platforms:

- Leaders and staff will regularly monitor the usage of the learning platform in all areas, in particular message and communication tools and publishing facilities.
- Pupils/staff will be advised about acceptable conduct and use when using the learning platform.
- Only members of the current pupil, parent/carers and staff community will have access to the learning platform.
- All users will be mindful of copyright issues and will only upload appropriate content onto the learning platform.

- When staff, pupils' etc. leave the school, their account or rights to specific school areas will be disabled or transferred to their new establishment where appropriate.
- Any concerns about content on the learning platform will be recorded and dealt with in the following ways:
 - a) The user will be asked to remove any material deemed to be inappropriate or offensive.
 - b) The material will be removed by the site administrator if the user does not comply.
 - c) Access to the learning platform for the user may be suspended.
 - d) The user will need to discuss the issues with a member of leadership before reinstatement.
 - e) A pupil's parent/carer may be informed.
- Visitors may be invited onto the learning platform by a member of the leadership team where appropriate. In this instance, there may be an agreed focus or a limited time slot allocated.
- Pupils may require editorial approval from a member of staff. This may be given to the pupil to fulfil a specific aim and may have a limited time frame.

3. Social Media Policy

3.1 General social media use:

- Expectations regarding safe and responsible use of social media will apply to all members of the Ashurst Primary School community and exist in order to safeguard both the school and the wider community, on and offline. Examples of social media may include blogs, wikis, social networking sites, forums, bulletin boards, multi-player online gaming, apps, video/photo sharing sites, chatrooms, instant messenger and many others.
- All members of the Ashurst Primary School community will be encouraged when engaging with social media in a positive, safe and responsible manner at all times.
- Information about safe and responsible use of social media will be communicated clearly and regularly to all members of the Ashurst Primary School community.
- All members of the APS community are advised not to publish specific and detailed private views, concerns, pictures or messages on any social media services, especially content that may be considered threatening, hurtful or defamatory to others.
- APS will, in line with current policies, via filtering policies and procedures, restrict pupil and staff access to social media and social networking sites whilst on site and when using school provided devices and systems on the school network in order to protect the online environment within school.

- The use of social networking applications during school hours for personal use is not permitted, a school firewall is in place.
- Inappropriate or excessive use of social media during school hours or whilst using school devices may result in disciplinary or legal action and/or removal of internet facilities.
- Any concerns regarding the online conduct of any member of the APS community on social media sites should be reported to the Leadership Team and will be managed in accordance with policies such as Anti-bullying, Allegations Against Staff, Behaviour and Safeguarding/Child Protection.
- Any breaches of school policies may result in criminal, disciplinary or civil action being taken and this will depend upon the age of those involved and the circumstances of the wrong committed. Action taken will be in accordance with relevant policies, such as Anti-bullying, Allegations Against Staff, Behaviour and Safeguarding/Child Protection.

3.2 Official & school business use of Social media:

- Official use of social media sites by the school will only take place with clear educational or community engagement objectives with specific intended outcomes e.g. increasing parental engagement.
- Official use of social media sites as communication tools will be risk assessed and formally approved by the Headteacher & in discussion with the E-Learning manager.
- Official school social media channels where required will be set up as a distinct and dedicated social media site or account for educational or engagement purposes.
- Staff will use school provided email addresses to register for and manage any official approved social media channels.
- Members of staff running official social media channels will follow appropriate policy, e.g. Twitter policy, to ensure that they are aware of the required behaviours and expectations of use and to ensure that sites are used safely, responsibly and in accordance with local and national guidance and legislation.
- All communication on official social media platforms will be clear, transparent and open to scrutiny.
- Any online publication on official social media sites will comply with legal requirements, including the Data Protection Act 1998 right to privacy conferred by the Human Rights Act 1998, or similar duty to protect private information and will not breach any common law duty of confidentiality, copyright etc.
- Official social media use will be in line with existing policies, including Anti-bullying and Child Protection.
- Images or videos of children will only be shared on official social media sites/channels, in accordance with the 'Use of Images' policy.
- Information about safe and responsible use of social media channels will be communicated clearly and regularly to all members of the community.

- Official social media sites, blogs or wikis will be suitably protected (e.g. password protected) and where appropriate, run and/or linked to/from the school website and take place with written approval from the Leadership Team.
- Account information and relevant details for social media channels will be kept secure and in case of emergency, appropriate named staff only to have access (Awareness of possible staff absence will be catered for e.g. Named alternative access available).
- Parents/carers and pupils will be informed of any official social media use, along with expectations for safe use and action taken to safeguard the community.
- Public communications on behalf of the school will, where possible, be agreed by at least one other colleague.
- Official social media channels will link back to the APS website and/or Acceptable Use Policy to demonstrate that the account is official.
- The school will ensure that any official social media use does not exclude members of the community who are unable or unwilling to use social media channels.

3.3 Staff personal use of social media:

- The safe and responsible use of social networking, social media and personal publishing sites will be discussed with all members of staff as part of staff induction and will be revisited and communicated via regular staff training opportunities.
- Safe and professional behaviour will be outlined for all members of staff (including volunteers) as part of the school Acceptable Use Policy (AUP).
- All members of staff are advised not to communicate with or add as 'friends' any current or past children/pupils or current or past pupils' family members via any personal social media sites, applications or profiles. Any pre-existing relationships or exceptions that may compromise this will be discussed with the Designated Safeguarding Leads (DSL) and/or the Headteacher.
- If ongoing contact with pupils is required once they have left the school roll, then members of staff will be expected to use existing and official school provided communication tools.
- All communication between staff and members of the school community on school business will take place via official approved communication channels (such as an official school provided email address or phone numbers).
- Staff are advised to not use personal social media accounts to make contact with pupils or parents, nor should any contact be accepted, except in circumstances whereby prior approval has been given by the Headteacher.
- Any communication from pupils/parents received on personal social media accounts will be reported to the schools Designated Safeguarding Lead (DSL).
- Information and content that staff members have access to as part of their employment, including photos and personal information about pupils and their family members, colleagues etc. must not be shared or discussed on personal social media sites.

- All members of staff are strongly advised to safeguard themselves and their privacy when using social media sites. This will include being aware of location sharing services, setting the privacy levels of their personal sites as strictly as they can, opting out of public listings on social networking sites, logging out of accounts after use and keeping passwords safe and confidential.
- All members of staff are encouraged to carefully consider the information, including text and images, they share and post online, and to ensure that their social media use is compatible with their professional role, in accordance with school policies (Safeguarding, Confidentiality, Data Protection etc.) and the wider professional and legal framework.
- Members of staff will be encouraged to manage and control the content they share and post online. Advice will be provided to staff via staff training and by sharing appropriate guidance and resources on a regular basis.
- Members of staff will notify the Leadership Team immediately if they consider that any content shared or posted via any information and communications technology, including emails or social networking sites, conflicts with their role in the school.
- Members of staff are encouraged not to identify themselves as employees of Ashurst Primary School on their personal social networking accounts. This is to prevent information on these sites from being linked with the school and also to safeguard the privacy of staff members and the wider community.
- Members of staff will ensure that they do not represent their personal views as that of the school on social media.
- School email addresses will not be used for setting up personal social media accounts.

3.4 Staff official use of social media:

- If members of staff are participating in online activity as part of their capacity as an employee of the school, then they are requested to be professional at all times and to be aware that they are an ambassador for the school.
- Staff using social media officially will disclose their official role/position, but always make it clear that they do not necessarily speak on behalf of the school.
- Staff using social media officially will be responsible, credible, fair and honest at all times, and consider how the information being published could be perceived or shared.
- Staff using social media officially will always act within the legal frameworks they would adhere to within the workplace, including libel, defamation, confidentiality, copyright, data protection as well as equalities laws.
- Staff must ensure that any image posted on any official social media channel has appropriate written parental consent.
- Staff using social media officially will be accountable and must not disclose information, make commitments or engage in activities on behalf of the school unless they are authorised to do so.

- Staff using social media officially will inform their line manager, the Designated Safeguarding Leads and/or the Headteacher of any concerns, such as criticism or inappropriate content posted online.
- Staff will not engage with any direct or private messaging with children or parents/carers through social media and will only communicate via official communication channels.
- Staff using social media officially will follow the appropriate policy e.g Twitter, and have appropriate training and support in using this, as well as following professional responsibilities.

3.5 Pupils use of social media:

- Safe and responsible use of social media sites will be outlined for children and their parents as part of the Acceptable Use Policy.
- Personal publishing on social media sites will be taught to pupils as part of an embedded and progressive education approach via age appropriate sites which have been risk assessed and approved as suitable for educational purposes.
- Pupils will be advised to consider the risks of sharing personal details of any kind on social media sites which may identify them and/or their location. Examples would include real/full name, address, mobile or landline phone numbers, school attended, Instant Messenger contact details, email addresses, full names of friends/family, specific interests and clubs etc.
- Pupils will be advised not to meet any online friends without a parent/carer or other responsible adult's permission and only when they can be present.
- Pupils will be advised on appropriate security on social media sites and will be encouraged to use secure passwords, deny access to unknown individuals and be supported in learning how to block and report unwanted communications.
- Pupils will be encouraged to only approve and invite known friends on social networking sites and to deny access to others by making profiles private/protected.
- Parents will be informed of any official social media use with pupils and written parental consent will be obtained, as required.
- Any official social media activity involving pupils will be moderated by the school, where possible.
- The school is aware that many popular social media sites state that they are not for children under the age of 13, therefore Ashurst Primary School must not create accounts within school specifically for children under this age.
- Any concerns regarding pupils' use of social networking, social media and personal publishing sites, both at home and at school, will be dealt with in accordance with existing school policies, including Anti-bullying and Behaviour.
- Any concerns regarding pupils' use of social networking, social media and personal publishing sites, both at home and at school, will be raised with parents/carers, particularly when concerning any underage use of social media sites.

4. Use of Personal Devices and Mobile Phones

4.1 Rationale regarding personal devices and mobile phones:

- The widespread ownership of mobile phones and a range of other personal devices among children, young people and adults will require all members of the APS community to take steps to ensure that mobile phones and personal devices are used responsibly.
- The use of mobile phones and other personal devices by young people and adults will be decided by the school and is covered in appropriate policies including the school Acceptable Use Policy.
- Ashurst Primary School recognises that personal communication through mobile technologies is an accepted part of everyday life for pupils, staff and parents/carers, but requires that such technologies need to be used safely and appropriately within school.

4.2 Expectations for safe use of personal devices and mobile phones:

- All use of personal devices and mobile phones will take place in accordance with the law and other appropriate school policies.
- Electronic devices of all kinds that are brought in on site are the responsibility of the user at all times. The school accepts no responsibility for the loss, theft or damage of such items. Nor will the school accept responsibility for any adverse health effects caused by any such devices, either potential or actual.
- Mobile phones and personal devices are not permitted to be used in certain areas within the school site. Mobile phones cannot be used within the classroom during school hours and should be stored in a safe place, unless pre-approved by the Headteacher and under exceptional circumstances.
- The sending of abusive or inappropriate messages or content via mobile phones or personal devices is forbidden by any member of the community, and any breaches will be dealt with as part of the Discipline/Behaviour Policy.
- Members of staff will be issued with a work email address and will use the school landline phone when contact with pupils or parents/carers is required.
- All members of the Ashurst Primary School community will be advised to ensure that their mobile phones and personal devices do not contain any content which may be considered to be offensive, derogatory or would otherwise contravene the school policies.
- School landline phones, mobile phones and devices must always be used in accordance with the Acceptable Use Policy.
- School mobile phones and devices used for communication with parents and pupils must be suitably protected via a passcode/password/pin and must only be accessed and used by members of staff.

4.3 Pupils use of personal devices and mobile phones:

- Pupils will be educated regarding the safe and appropriate use of personal devices and mobile phones.
- All use of mobile phones and personal devices by pupils will take place in accordance with the Acceptable Use Policy.
- Pupil's personal mobile phones and personal devices will be switched off and handed in to School Office in the morning to be kept securely throughout the school day. Pupils can collect mobile phones and personal devices from School Office at the end of the day.
- If a parent/carers needs to be contacted on behalf of a pupil, contact will be made via School Office using a school based phone.
- Parents are advised to contact the School Office direct at all times, not via the pupils own mobile phone.
- Pupils should protect their phone numbers by only giving them to trusted friends and family members.
- Pupils will be instructed in safe and appropriate use of mobile phones and personal devices, and will be made aware of boundaries and consequences.
- Mobile phones and personal devices must not be taken into examinations. Pupils found in possession of a mobile phone or personal device during an exam will be reported to the appropriate examining body. This may result in the pupil's withdrawal from either that examination or all examinations.
- If a pupil breaches the school policy, then the phone or device will be confiscated and will be held in a secure place in School Office. Mobile phones and devices will be released to parents/carers in accordance with the school policy.
- If there is suspicion that material on a pupil's personal device or mobile phone may be illegal or may provide evidence relating to a criminal offence, then the device will be handed over to the police for further investigation.

4.4 Staff use of personal devices and mobile phones:

- Members of staff are not permitted to use their own personal phones or devices for contacting children, young people and their families within or outside of the school in a professional capacity. Any pre-existing relationships which could compromise this will be discussed with leaders.
- Staff will not use personal devices such as mobile phones, tablets or cameras to take photos or videos of children, and will only use work-provided equipment for this purpose.
- Staff will not use any personal devices directly with children and will only use work-provided equipment during lessons/educational activities.
- Members of staff will ensure that any use of personal phones and devices will always take place in accordance with the law e.g. data protection, as well as relevant school policies and procedures e.g. Confidentiality, Data Security, Acceptable Use etc.

- Staff personal mobile phones and devices will be switched off/switched to 'silent' and stored in staff cloakroom lockers/as appropriate away from the classrooms during school hours.
- Bluetooth or other forms of communication should be 'hidden' or switched off.
- Personal mobile phones or devices will not be used during teaching periods unless permission has been given by a member of the Leadership Team in emergency circumstances.
- Staff will ensure that any content bought on site via mobile phones and personal devices are compatible with their professional role and expectations.
- If a member of staff breaches the school policy then disciplinary action will be taken.
- If a member of staff is thought to have illegal content saved or stored on a mobile phone or personal device or have committed a criminal offence, then the police will be contacted.
- Any allegations against members of staff involving personal use of mobile phone or devices will be responded to following the school allegations management policy.

4.5 Visitors use of personal devices and mobile phones:

- Parents/carers and visitors must use mobile phones and personal devices in accordance with the school Acceptable Use Policy. Visitors must turn off their device and/or hand their device in to School Office, as appropriate, in accordance with school policies.
- Use of mobile phones or personal devices by visitors and parents/carers to take photos or videos must take place in accordance with the School Use of Images Policy.
- The school will ensure appropriate information is provided to inform visitors of expectations of use.
- Staff will be expected to challenge concerns when safe and appropriate, and will always inform the Designated Safeguarding Lead (DSL) of any breaches of use by visitors.

5. Policy Decisions

5.1 Reducing online risks:

- Ashurst CE Primary School is aware that the Internet is a constantly changing environment with new apps, tools, devices, sites and material emerging at a rapid pace.
- Emerging technologies will be examined for educational benefit and the school leadership team will ensure that appropriate risk assessments are carried out before use in school is allowed.
- The school will ensure that appropriate filtering and monitoring systems are in place to prevent staff and pupils from accessing unsuitable or illegal content.

Entrust and Rivanet control and monitor filtering systems and solutions, including onsite.

- The school will take all reasonable precautions to ensure that users access only appropriate material. However, due to the global and connected nature of Internet content, it is not always possible to guarantee that access to unsuitable material will not occur via a school computer or device.
- The school will audit technology use to establish if the Online Safety policy is adequate and that the implementation of the policy is appropriate.
- Methods to identify, assess and minimise online risks will be reviewed regularly by the schools Leadership Team.

5.2 Internet use throughout the wider school community:

- The school will liaise with local organisations to establish a common approach to online safety.
- The school will work with the local community's needs (including recognising cultural backgrounds, languages, religions and ethnicity) to ensure internet use is appropriate.
- The school will provide an Acceptable Use Policy for any guest/visitor who needs to access the school computer system or Internet on site.

5.3 Authorising internet access:

- The school will maintain a current record of all staff and pupils who are granted access to the school's devices and systems.
- All staff, pupils and visitors will read and sign the Acceptable Use Policy before using any school resources.
- Parents will be informed that pupils will be provided with supervised internet access which is appropriate to their age and ability.
- Parents will be asked to read the Acceptable Use Policy for pupil access and discuss it with their child, where appropriate.
- When considering access for vulnerable members of the community (such as with pupils with special education needs), the school will make decisions based on the specific needs and understanding of the pupil(s).

6. Engagement Approaches

6.1 Engagement and education of children and young people:

- An Online Safety curriculum is established and embedded throughout the whole school, to raise awareness regarding the importance of safe and responsible internet use amongst pupils.
- Education about safe and responsible use will precede internet access.

- Pupils input will be sought when writing and developing school online safety policies and practices, including curriculum development and implementation e.g 'Pupils Voice'.
- Pupils will be supported in reading and understanding the Acceptable Use Policy in a way which suits their age and ability.
- All users will be informed that network and internet use will be monitored.
- Online safety will be included in the PSHE, RSE, Citizenship and Computing programmes of study, covering both safe school and home use.
- Online safety education and training will be included as part of the transition programme across the Key Stages and when moving between establishments.
- Safe and responsible use of the internet and technology will be reinforced across the curriculum and within all subject areas.
- External support will be used to complement and support the school's internal online safety education approaches where available. e.g NSPCC/PC Keeley.
- The school will implement peer education to develop online safety, as appropriate to the needs of the pupils.

6.2 Engagement and education of children and young people considered to be vulnerable:

- Ashurst Primary School is aware that some pupils may be considered to be more vulnerable online due to a range of factors.
- Ashurst Primary School will ensure that differentiated and ability appropriate online safety (e-Safety) education is given, with input from specialist staff as appropriate (e.g. SENCO, Looked after Child Coordinator).

6.3 Engagement and education of staff:

- The E-Safety policy will be formally provided to and discussed with all members of staff as part of induction, and will be reinforced and highlighted as part of our safeguarding responsibilities.
- Staff will be made aware that our internet traffic can be monitored and traced to the individual user. Discretion and professional conduct is essential when using school systems and devices.
- Up-to-date and appropriate staff training in safe and responsible internet use, both professionally and personally, will be provided for all members of staff in a variety of ways, on a regular basis.
- All members of staff will be made aware that their online conduct out of school could have an impact on their role and reputation within school. Civil, legal or disciplinary action could be taken if they are found to bring the profession or institution into disrepute, or if something is felt to have undermined confidence in their professional abilities.
- Members of staff with a responsibility for managing filtering systems or monitoring of ICT use will have clear procedures for reporting issues or concerns.

- The school will highlight useful online tools which staff should use according to the age and ability of the pupils.

6.4 Engagement and education of parents and carers:

- Ashurst Primary School recognises that parents/carers have an essential role to play in enabling children to become safe and responsible users of the internet and digital technology.
- Parents' attention will be drawn to the school E-Safety policy and expectations in newsletters, letters, school prospectus and on the school website.
- A partnership approach to online safety at home and at school with parents will be encouraged. This may include offering parent evenings with demonstrations and suggestions for safe home internet use via information on the school's website, and/or highlighting online safety at other well attended events e.g. parent evenings, transition events, fetes and Sports Days.
- Parents will be requested to read, sign and return online safety information as part of the Home School Agreement.
- Parents will be encouraged to read the school Acceptable Use Policy for pupils and discuss its implications with their children.
- Information and guidance for parents on online safety will be made available to parents in a variety of formats, e.g. school website, emails home, social media as appropriate.
- Parents will be encouraged to role model positive behaviour for their children online.

7. Managing Information Systems

7.1 Managing personal data online:

- Personal data will be recorded, processed, transferred and made available according to the Data Protection Act 1998.
- Full information regarding the school's approach to data protection and information governance is available. e.g GDPR compliance

7.2 Security and management of information systems:

- The security of the school information systems and users access will be reviewed regularly.
- Virus protection will be updated regularly.
- Personal data sent over the internet or taken off site, e.g. via portable media storage, will be encrypted or accessed via appropriate secure remote access systems.
- Portable media may not be used without specific permission and the use of the school's anti-virus/malware scanning facilities on access.

- Unapproved software will not be allowed in work areas or attached to email.
- Files held on the school's network will be subject to appropriate checks e.g storage space, appropriateness of content & file size monitoring..
- The E-Learning Coordinator/Network Manager will review system capacity regularly.
- The appropriate use of user logins and passwords to access the school network will be enforced for all users.
- All users will be expected to log off or lock their screens/devices if systems are unattended.
- The school will log and record internet use on all school owned devices.

7.3 Password Policy

- All users will be informed not to share passwords or information with others, and not to login as another user at any time.
- Staff and pupils must always keep their passwords private and must not share it with others or leave it where others can find it.
- All members of staff will have their own unique username and passwords to access school systems. Members of staff are responsible for keeping their passwords private.
- Ashurst Primary School advises staff and pupils to use **STRONG** passwords for access into the school's network systems.
- Ashurst Primary School will advise staff to change their passwords on a regular basis.
- All pupils are provided with their own unique username and private passwords to access relevant accounts, e.g. TT Rockstars, Purple Mash etc, and/or picture passwords for their VLE accounts. Pupils are responsible for keeping their passwords private.

7.4 Filtering and Monitoring:

- The governors will ensure that the school has age and ability appropriate filtering and monitoring in place whilst using school devices and systems to limit pupils exposure to online risks.
- The school's internet access strategy will be dependent on the need and requirements of our community and will therefore be designed to suit the age and curriculum requirements of our pupils, with advice from technical, educational and safeguarding staff.
- All monitoring of school owned/provided systems will take place to safeguard members of the community.
- All users will be informed that use of school systems can be monitored and that all monitoring will be in line with data protection, human rights and privacy legislation.
- The school uses educational filtered secure broadband connectivity through Entrust, which is appropriate to the age and requirement of the school's pupils.

- The school uses the 'Webscreen' filtering system provided by Entrust, which blocks sites that fall into categories such as pornography, racial hatred, extremism, gaming, sites of an illegal nature, etc.
- The school adheres to WSCC procedures regarding broadband/filtering provider to ensure that filtering policy is continually reviewed.
- The school will have a clear procedure for reporting breaches of filtering which all members of the school community (all staff and pupils) will be made aware of.
- If staff or pupils discover unsuitable sites, the URL will be reported to the school E-Learning Manager/Designated Safeguarding Lead (DSL) and will then be recorded and escalated as appropriate.
- The school filtering system will block all sites on the Internet Watch Foundation (IWF) list.
- Changes to the school filtering policy will be risk assessed by staff with educational and technical experience prior to any changes, and where appropriate with consent from the Leadership Team.
- All changes to the school filtering policy will be logged and recorded.
- The Leadership Team will ensure that regular checks are made to ensure that the filtering methods selected are effective and appropriate.
- Any material that the school believes is illegal will be reported to appropriate agencies such as IWF, Sussex Police or CEOP immediately.

7.5 Management of applications (apps) used to record children's progress:

- The school leadership team are responsible for the security of any data or images held of children.
- Apps/systems which store personal data will be risk assessed prior to use.
- Only school issued devices will be used for apps that record and store children's personal details, attainment or photographs. Personal staff mobile phones or devices will not be used to access or upload content to any apps which record and store children's personal details, attainment or images.
- Devices will be appropriately encrypted if taken off site to prevent a data security breach in the event of loss or theft.
- Users will be advised on safety measures to protect all members of the community, such as using strong passwords, logging out of systems etc.
- Parents will be informed of the school expectations regarding safe and appropriate use (e.g. not sharing passwords or sharing images) prior to being given access.

8. Responding to Online Incidents and Safeguarding Concerns

- All members of the community will be made aware of the range of online risks that are likely to be encountered, including sexting, online/cyber bullying etc. This will be highlighted within staff training and educational approaches for pupils.

- All members of the school community will be informed about the procedure for reporting online safety concerns, such as breaches of filtering, sexting, cyberbullying, illegal content etc.
- The Designated Safeguarding Lead/s (DSL) will be informed of any online safety incidents involving child protection concerns, which will then be recorded.
- The DSLs will ensure that online safety concerns are escalated and reported to relevant agencies in line with the West Sussex Safeguarding Children Board thresholds and procedures.
- Complaints about internet misuse will be dealt with under the school's complaints procedure.
- Complaints about online/cyber bullying will be dealt with under the school's Anti-bullying policy and procedure
- Any complaint about staff misuse will be referred to the Headteacher.
- Any allegations against a member of staff's online conduct will be discussed with the LADO (Local Authority Designated Officer).
- Pupils, parents and staff will be informed of the school's complaints procedure.
- Staff will be informed of the complaints and whistleblowing procedure.
- All members of the school community will need to be aware of the importance of confidentiality and the need to follow the official school procedures for reporting concerns.
- All members of the school community will be reminded about safe and appropriate behaviour online and the importance of not posting any content, comments, images or videos online which cause harm, distress or offence to any other members of the school community.
- The school will manage online safety incidents in accordance with the school Discipline/Behaviour policy, where appropriate.
- The school will inform parents/carers of any incidents or concerns as and when required.
- After any investigations are completed, the school will debrief, identify lessons learnt and implement any changes as required.
- Where there is cause for concern or fear that illegal activity has taken place or is taking place, then the school will contact the Education Safeguards Team or Sussex Police via 101 or 999 if there is immediate danger or risk of harm.
- The use of computer systems without permission or for inappropriate purposes could constitute a criminal offence under the Computer Misuse Act 1990 and breaches will be reported to Sussex Police.
- If the school is unsure of how to proceed with any incidents of concern, then the incident will be escalated to the Education Safeguarding Team.
- If an incident of concern needs to be passed beyond the school community, then the concern will be escalated to the Education Safeguarding Team to communicate to other schools in West Sussex.
- Parents and children will need to work in partnership with the school to resolve issues.

9. Procedures for Responding to Specific Online Incidents or Concerns

9.1 Responding to concerns regarding Youth Produced Sexual Imagery (YPSI) or 'Sexting':

- Ashurst Primary School endeavours to ensure that all members of the community are made aware of the potential social, psychological and criminal consequences of sharing, possessing and creating youth produced sexual imagery (known as 'sexting').
- The school will implement preventative approaches via a range of age and ability appropriate educational approaches for pupils, staff and parents/carers.
- Ashurst Primary School views 'sexting' as a safeguarding issue and all concerns will be reported to and dealt with by the Designated Safeguarding Leads (DSL).
- The school will follow the guidance as set out in the non-statutory UKCCIS advice 'Sexting in schools and colleges: responding to incidents and safeguarding young people' and WSSCB "Responding to youth produced sexual imagery" guidance.
- If the school are made aware of incident involving creating youth produced sexual imagery the school will:
 - Act in accordance with the school's Child Protection and Safeguarding policy and the relevant West Sussex Safeguarding Child Boards procedures
 - Immediately notify the Designated Safeguarding Lead.
 - Store the device securely
 - Carry out a risk assessment in relation to the child/children involved
 - Consider the vulnerabilities of pupil/s involved (including carrying out relevant checks with other agencies)
 - Make a referral to children's social care and/or the police (as needed/appropriate)
 - Put the necessary safeguards in place for pupils, e.g. offer counselling support and immediate protection, and offer appropriate pastoral support for those involved
 - Implement appropriate sanctions in accordance with the school's Behaviour policy, but taking care not to further traumatise victims where possible
 - Review the handling of any incidents to ensure that the school is implementing best practice and the Leadership Team will review and update any management procedures where necessary
 - Inform parents/carers about the incident and how it is being managed.
- The school will not view any images suspected of being youth produced sexual imagery unless there is no other possible option or there is a clear need or reason

to do so (in these cases the image will only be viewed by the Designated Safeguarding Lead).

- The school will not send, share or save content suspected to be an indecent image of children and will not allow or request children to do so.
- If an indecent image has been taken or shared on the school network or devices, then the school will take action to block access to all users and isolate the image.
- The school will take action regarding creating youth produced sexual imagery, regardless of the use of school equipment or personal equipment, both on and off the premises.
- The school will ensure that all members of the community are aware of sources of support regarding youth produced sexual imagery.

9.2 Responding to concerns regarding Online Child Sexual Abuse and Exploitation (CSAE):

- Ashurst Primary School will ensure that all members of the community are made aware of online child sexual abuse, e.g. exploitation and grooming, including the consequences, possible approaches which may be employed by offenders to target children and how to respond to concerns.
- The school will implement preventative approaches for online child sexual abuse via a range of age and ability appropriate educational approaches for pupils, staff and parents/carers.
- Ashurst Primary School views online child sexual abuse as a safeguarding issue and all concerns will be reported to and dealt with by the Designated Safeguarding Leads (DSL).
- If the school is unclear if a criminal offence has been committed then the Designated Safeguarding Lead will obtain advice immediately through the Education Safeguarding Team and/or Sussex Police.
- If the school is made aware of intelligence or information which may relate to child sexual exploitation (on or offline), then it will be passed through to the CSET team by the DSLs.
- If the school are made aware of an incident involving online child sexual abuse of a child then the school will:
 - Act in accordance with the school's Child Protection and Safeguarding policy and the relevant West Sussex Safeguarding Child Boards procedures
 - Immediately notify the Designated Safeguarding Lead
 - Store any devices involved securely
 - Immediately inform Sussex Police via 101 (using 999 if a child is at immediate risk)
 - Where appropriate, the school will involve and empower children to report concerns regarding online child sexual abuse e.g. using the Click CEOP report form: www.ceop.police.uk/safety-centre/
 - Carry out a risk assessment which considers any vulnerabilities of pupil(s) involved (including carrying out relevant checks with other agencies)

- Make a referral to children's social care (if needed/appropriate)
 - Put the necessary safeguards in place for pupil/s, e.g. offer counselling support and immediate protection and offer appropriate pastoral support for those involved
 - Inform parents/carers about the incident and how it is being managed
 - Review the handling of any incidents to ensure that the school is implementing best practice and the school Leadership Team will review and update any management procedures where necessary.
- The school will take action regarding online child sexual abuse, regardless of the use of school equipment or personal equipment, both on and off the school premises.
 - The school will ensure that all members of the community are aware of sources of support regarding online child sexual abuse.
 - If pupils at other schools are believed to have been targeted then the school will seek support from the Education Safeguarding Team to enable other schools to take appropriate action to safeguarding their community.
 - The school will ensure that the Click CEOP report button is visible and available to pupils and other members of the school community, for example including the CEOP 'report' button on the school website homepage and on intranet systems.

9.3 Responding to concerns regarding Indecent Images of Children (IIOC):

- Ashurst CE Primary School will ensure that all members of the community are made aware of the criminal nature of Indecent Images of Children (IIOC), including the possible consequences.
- The school will take action regarding of Indecent Images of Children (IIOC) regardless of the use of school equipment or personal equipment, both on and off the premises.
- The school will take action to prevent accidental access to Indecent Images of Children (IIOC), for example, using an Internet Service Provider (ISP) which subscribes to the Internet Watch Foundation block list, implementing appropriate web filtering, implementing firewalls and anti-spam software.
- If the school is unclear if a criminal offence has been committed then the Designated Safeguarding Lead/s will obtain advice immediately through the Education Safeguarding Team and/or Sussex Police.
- If the school is made aware of Indecent Images of Children (IIOC) then the school will:
 - Act in accordance with the schools Child Protection and Safeguarding policy and the relevant West Sussex Safeguarding Child Boards procedures
 - Immediately notify the school Designated Safeguard Lead/s (DSL)
 - Store any devices involved securely
 - Immediately inform appropriate organisations, e.g. the Internet Watch Foundation (IWF), Sussex Police via 101 (using 999 if a child is at

- immediate risk) and/or the LADO (if there is an allegation against a member of staff).
- If the school is made aware that a member of staff or a pupil has been inadvertently exposed to indecent images of children whilst using the internet then the school will:
 - Ensure that the Designated Safeguard Lead/s is/are informed
 - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk
 - Ensure that any copies that exist of the image, for example in emails, are deleted.
 - If the school are made aware that indecent images of children have been found on the school's electronic devices then the school will:
 - Ensure that the Designated Safeguard Lead/s is/are informed
 - Ensure that the URLs (webpage addresses) which contain the suspect images are reported to the Internet Watch Foundation via www.iwf.org.uk
 - Ensure that any copies that exist of the image, for example in emails, are deleted
 - Inform the Sussex Police via 101 (999 if there is an immediate risk of harm) and children's social services, as appropriate
 - Only store copies of images (securely, where no one else has access to them and delete all other copies) at the request of the police only.
 - If the school are made aware that a member of staff is found in possession of indecent images of children on their electronic device provided by the school, then the school will:
 - Ensure that the Designated Safeguard Lead/s is/are informed or another member of staff in accordance with the school whistleblowing procedure
 - Contact Sussex Police regarding the images and quarantine any devices involved until police advice has been sought
 - Inform the Local Authority Designated Officer (LADO) and other relevant organisations in accordance with the schools managing allegations policy
 - Follow the appropriate school policies regarding conduct.

9.4 Responding to concerns regarding radicalisation and extremism online:

- The school will take all reasonable precautions to ensure that pupils are safe from terrorist and extremist material when accessing the internet in schools, and that suitable filtering is in place which takes into account the needs of pupils.
- When concerns are noted by staff that a child may be at risk of radicalisation online, then the Designated Safeguarding Lead (DSL) will be informed immediately and action will be taken in line with the safeguarding policy.
- Online hate content directed towards or posted by specific members of the community will be responded to in line with existing school policies, including Anti-bullying, Behaviour etc. If the school is unclear if a criminal offence has been committed then the Designated Safeguarding Lead will obtain advice immediately via the Education Safeguarding Team and/or Sussex Police.

9.5 Responding to concerns regarding cyberbullying:

- Cyberbullying, along with all other forms of bullying, of any member of the Ashurst Primary School community will not be tolerated. Full details are set out in the school policies regarding Anti-bullying and Behaviour.
- All incidents of online bullying reported will be recorded.
- There are clear procedures in place to investigate incidents or allegations and support anyone in the school community affected by online bullying. All members of the community will be advised to report online hate in accordance with relevant school policies and procedures e.g. Anti-bullying, Behaviour etc.
- If the school is unclear if a criminal offence has been committed, then the Designated Safeguarding Lead will obtain advice immediately through the Education Safeguarding Team and/or Sussex Police.
- Pupils, staff and parents/carers will be advised to keep a record of cyberbullying as evidence.
- The school will take steps to identify the bully where possible and appropriate. This may include examining school system logs, identifying and interviewing possible witnesses, and contacting the service provider and the police, if necessary.
- Pupils, staff and parents/carers will be required to work with the school to support the approach to cyberbullying and the school's online safety ethos.
- Sanctions for those involved in online or cyberbullying may include:
 - Those involved will be asked to remove any material deemed to be inappropriate or offensive
 - A service provider may be contacted to remove content if those involved refuse to or are unable to delete content
 - Internet access may be suspended at school for the user for a period of time. Other sanctions for pupils and staff may also be used in accordance to the schools Anti-bullying, Behaviour or Acceptable Use Policy
 - Parent/carers of pupils involved in online bullying will be informed
 - The Police will be contacted if a criminal offence is suspected.

The Designated Safeguarding Leads (DSL) are Mrs S Smith (Headteacher, DSL Lead), Mrs Amanda Hedley (DSL, E-Learning, Network Manager, Computing teacher & Office Admin). Mrs Tina Clarke is lead SENDco.

The Online safety lead for the Governing Body is the Chair of Governors.
