This policy and guidance are specifically for **West Sussex schools and colleges** and details how they **must notify** the Local Authority when they **remove a child from the school roll** at a non-standard transition point.

It also explains how schools and colleges **must notify the Local Authority when adding a child to the school roll at non-standard transition points.**

1. Statutory Guidance

Several significant updates were made in 2016. View the latest statutory guidance relating to Children Missing Education.

2. The Nominated Person for WSCC

The nominated officer for Children Missing Education in West Sussex is Nikki Humphrey, Senior Investigating Officer, Children Missing Education: 0330 2222120 / CME@westsussex.gov.uk

3. Overview

3.1 All children, regardless of their circumstances, are entitled to a full-time education which is suitable to their age, ability, aptitude and any special educational needs they may have. Local authorities have a duty to establish, as far as it is possible to do so, the identity of children of compulsory school age who are missing education (not on a school roll or in any other suitable provision) in their area.

3.2 Children missing education are children of compulsory school age who are not registered pupils at a school and are not receiving suitable education otherwise than at a school. Children missing education are at significant risk of underachieving, being victims of harm, exploitation or radicalisation, and becoming NEET (not in education, employment or training) later in life.

3.3 The law requires all schools to have an admission register and, with the exception of schools where all pupils are boarders, an attendance register. All pupils must be placed on both registers.

3.4 This policy outlines what schools and colleges must do when they either remove a child from or add a child to, the school roll at non-standard transition points.

3.5 For those children who are removed from the school roll under one of the 15 specific criteria listed at **5** below, the school must notify the Local Authority using the process at **6** below as soon as possible.

3.6 The Local Authority Children Missing Education Team will then make enquiries and establish whether the child is in receipt of other suitable education provision or is to be regarded as a Child Missing Education.

3.7 Poor attendance or Children Missing Education.

Children Missing Education specifically relates to children who are not on a school roll or receiving suitable education elsewhere. Schools and colleges must be very clear not to confuse this with children who may be missing out on education through either poor attendance or truancing. For poor attendance and truancing issues contact should be made in the first instance with Pupil Entitlement Investigations: 03302 228200 / PEI@westsussex.gov.uk; or if the school and college consider the child with poor attendance or who is truancing to be at risk then contact should be made with MASH or for urgent cases, Police.

4. Safeguarding

Information in this policy is intended to support normal school safeguarding practice. Schools **MUST** follow the normal route of contacting IFD on 01403 229900 where they have safeguarding concerns about any child. If those concerns are urgent, then schools should call the police.

6. Notifying the Local Authority when removing from roll at non-standard transition point

6.1 The Local Authority **must** be notified when a school is to delete a pupil from its register under any of the above circumstances. This should be done **as soon as** the grounds for deletion are met, but **no later than** deleting the pupil's name from the register. It is essential that schools comply with this duty so that local authorities can, as part of their statutory obligations, identify and track children missing education until they are back in school or receiving suitable education elsewhere.

6.2 When **schools or colleges** are removing a child from the school or college roll in the above circumstances, the Local Authority **MUST** be informed using the following on line form which can also be accessed via the West Sussex Service for Schools website, within the Pupil Entitlement, Children Missing Education area.

6.3 The Local Authority will always welcome contact from schools and colleges with the Children Missing Education Team before a child is removed from roll.

7. Notifying the Local Authority when on-rolling at non-standard transition point

7.1 **All schools** must notify the Local Authority **within five days** of adding a pupil's name to the admission register at a non-standard transition point. The notification must include all the details contained in the admission register for the new pupil. In such circumstances the Local Authority should be notified by completing the following relevant form, also found in the West Sussex Service for Schools site.
